2022 Milwaukee County Community Development Block Grant (CDBG) and HOME funds

The County of Milwaukee is inviting citizen comments on the proposed Community Development Block Grant (CDBG) funding and HOME funding for 2020 and proposed reallocation recommendations.

Milwaukee County will be receiving 2022 federal CDBG funding totaling approximately \$1.6 million. The CDBG funding is to be shared between Milwaukee County and 15 participating municipalities. The municipal share will be allocated in accordance with the Inter-Governmental Cooperation Council policy adopted for this purpose. It is proposed that the County's share be used for County-wide projects. Approximately 20% is set aside for administrative costs. Milwaukee County also will be receiving approximately \$1.2 million in HOME funds to be used in 17 participating municipalities.

The Economic and Community Development Committee is holding a public hearing on Monday, September 13, 2021 at 9:30 am which will be a virtual meeting live streamed on the County Legislative Information Center.
