## DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
  - B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. <sup>1</sup> If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
  - C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
  - D. Describe any assumptions or interpretations that were utilized to provide the information on this form.
- 
- A. Approval of this resolution calls upon the Wisconsin State Fair Executive Director, Board of Directors, Police & Public Safety officials and the Wisconsin Department of Natural Resources to develop a plan to secure the Wisconsin State Fairgrounds and host future Wisconsin State Fairs without closing the Hank Aaron State Trail. Milwaukee County Department of Parks, Office of the Sheriff, and any other relevant officials are also requested to offer their input and guidance to Wisconsin State Fair officials in the development of a plan to keep the Hank Aaron State Trail operational while ensuring site security during the annual event.
  - B. Staff time would be necessary to communicate the contents of this resolution to the appropriate officials. It does not obligate any County department to expend funds in the current or future years to keep the Hank Aaron State Trail open during the Wisconsin State Fair.
  - C. There is no budgetary impact.
  - D. No assumptions were used.
