The Department of Human Resources (DHR) is providing the following timeline of events related to the UnitedHealthcare contract:

- **May 2025**
WTW completed the RFP process and provided Milwaukee County with the results. As a result of the RFP, UnitedHealthcare (UHC) was selected.
- **July 22, 2025**
CJ Pahl, Financial Services Director, requested that the Office of the Comptroller's auditors be granted access to UHC and Optum Rx data.
- **July 31, 2025**
Access to UnitedHealthcare data was granted to the Comptroller's auditors.

- **August 27, 2025**
A meeting was held with Joe Lamers, former Director of Strategy, Budget and Performance to review and discuss the data received from WTW.
- **Late August 2025**
Joe Lamers advised that he had shared the WTW data with the Office of the Comptroller, which subsequently raised questions regarding WTW's forecast.
- **September 17, 2025**
An email was sent to the Jennifer Folliard, Director of Audit advising that Milwaukee County was preparing to extend a contract with UnitedHealthcare and

noting that questions had arisen regarding audit language.

- **September 24, 2025**
Proposed audit language for the UnitedHealthcare contract was provided to the Audit Department; however, UnitedHealthcare had not yet agreed to include the language.
- **November 19, 2025**
A meeting was held with representatives from the Office of the Comptroller, Milwaukee County Benefits Department, Willis Towers Watson, and Foster & Foster (Comptroller's auditors) to review WTW's data.
- **January 15, 2026**
After multiple requests, UnitedHealthcare provided an updated contract including its standard audit language and formally advised that it would not incorporate Milwaukee County's proposed audit language due to proprietary and confidentiality concerns.
