SUBJECT: **January, February & March (1st Qtr) 2020 Participation Report**

DIRECTIVE

At the request of the Transit, Public Works, and Transportation Committee and Committee on Economic and Community Development, the Community Business Development Partners Department (CBDP) provides a quarterly update on the Disadvantaged Business Enterprise (DBE)/ Targeted Business Enterprise (TBE) utilization.

PURPOSE

Determine the economic impact the procurement activity has on small businesses and communities within Milwaukee County; through goals settings of 17 percent professional services and 25 percent construction services. Specifically, the impact the Disadvantage Business Enterprise/Targeted Business Enterprise (DBE/TBE) program has on the local economy.

THE PROCESS

CBDP gathered contract information from Milwaukee County departments through various sources; such as but not limited to: DocuSign, hardcopies of contracts and 1684 forms. Contract information was gathered on all contracts regardless if the contract had participation or not, such as DBE/TBE subcontractor contract value, length of contract and other company information.

DATA SOURCES

Primary sources of data collection are DocuSign, Commitment to Contract forms and 1684 forms. It's important to note that not all contracts are routed through a single procurement process. CBDP recognizes that the information used does not represent the total procurement dollars Milwaukee County contract for. Therefore, this report is based on the best available information and it does not represent the totality of contracts.
