This permanent easement Grant is Subject to the Following Terms and Special Conditions:

1. GRANTEE shall provide written notice to the Director of the Milwaukee County Department of Parks, Recreation and Culture prior to the commencement of work within the easement area by the GRANTEE. Said notice shall indicate the anticipated start date and duration of the proposed work and include; plans showing the location, depth, type of installation, trees and shrubs within line or easement area, drawings and specifications detailing construction methodology, the erosion and sedimentation control plan and the preservation and restoration methods to be employed. These shall be reviewed and approved by the COUNTY prior to commencing any construction activities. Said approval shall not be unreasonably withheld and the review will be made in a timely fashion at no charge to the GRANTEE. Violation of the aforementioned conditions during periods of emergency shall not result in cancellation or penalty. Within 24 hours of an incident constituting an emergency, GRANTEE shall give notice to the Director of the Department of Parks, Recreation and Culture of such emergency. Furthermore, testing and inspections of GRANTEE facilities at manhole locations is permitted without said written notice or conditions.
2. **Easement Fee.**
 - Grantee shall pay to the County a one-time fee (the "Easement Fee") of one dollar and sixty cents (\$1.60) per square foot for the use of the Premises. The area, which the Equipment occupies in the Premises, is forty-one thousand one hundred and two square feet (40,102 SF). The initial annual Easement Fee is, therefore, Sixty Five Thousand seven hundred sixty-three and twenty cents. (\$65,763.20) The payment shall be due upon execution of this Easement. All payments are to be made to payable to the Milwaukee County Treasurer and sent or personally delivered to the County's Department of Parks, Recreation and Culture at the address of 9480 W. Watertown Plank Road, Wauwatosa, WI 53226.
 - Fifty percent of the annual Easement Fee shall be placed in a trust fund for bike trail maintenance, security, and care of bike trails. This amount may be accumulated for larger projects and may be used as a match for grants or other funds without limitation.
 - The remaining fifty percent of the annual Easement Fee shall be placed in a trust fund to fund purchase and/or repairs to playground equipment and playground areas. This amount may be accumulated for larger projects and may be used as a match for grants or other funds without limitation.

3. GRANTEE shall, at all times, obtain a Right-of-Entry Permit from COUNTY before performing any non-emergency ground disturbing activities in any part of the easement area (please see Exhibit "B"). GRANTEE's application for a Permit shall be reviewed and approved by the COUNTY prior to commencing any ground disturbing activities. Said approval shall not be unreasonably withheld and the review will be made in a timely fashion. The Permit to disturb or dig in the easement area is to be issued in a timely fashion not to exceed 10 working days and all Permits are at no cost to GRANTEE. Any GRANTEE failing to obtain a Permit to disturb or dig in the easement area is subject to penalty. The Permit to disturb or dig in the easement area can be obtained at the Milwaukee County Department of Parks, Recreation and Culture, 9480 Watertown Plank Rd. Wauwatosa, Wisconsin, 53226.
4. All GRANTEE construction, operation and repairs of the facilities installed within this easement area shall be completed at no expense to the COUNTY.
5. No trees, shrubs or vegetation adjacent to the easement area shall be removed, trimmed or damaged without the written permission of the Department of Parks, Recreation and Culture. In that regard, a specific construction and restoration landscaping plan has been reviewed and approved by said department of Milwaukee County. All construction activities and maintenance authorized by this permanent easement shall meet the requirements set forth in the model ordinance contained in "Wisconsin Construction Site Best Management Practice Handbook" Distributed by the Wisconsin Department of Natural Resources and applicable local municipal erosion control ordinances.
6. It is an express condition of the granting of this permanent easement that as much of the surface and subsurface of the soil and as much of the Improvements as may be disturbed or damaged in the construction, operation, use, maintenance and repair of the purpose for which this permanent easement is granted will, at the expense of the GRANTEE, be replaced or repaired to essentially the same condition, or better, as existed immediately prior to the occurrence of such damage, to the satisfaction of the Milwaukee County Department of Parks, Recreation and Culture.
7. COUNTY and GRANTEE hereby expressly agree to defend, hold harmless and indemnify each other from and against any and all claims, actions, liabilities, damages, expenses and judgments, including but not limited to, reasonable attorneys fees, reasonable investigative and discovery costs, court costs, and all other sums on account of any injury to any persons, loss of life or damage to property occurring on the easement area and on the ways immediately adjoining the easement area caused by the active or passive negligence or willful misconduct of such Party, its employees, agents or servants; provided that no Party shall be required to indemnify any other Party against any injury to persons, to the extent it is caused by the active or passive negligence or willful misconduct of that Party, its agents, servants or employees.
8. This permanent easement shall terminate upon the abandonment of the facilities herein authorized to be constructed in, under, over, and along said easement area. Prior to abandonment the facilities and related structures shall be abandoned in accordance with "applicable standards." The site shall be restored to the satisfaction of the COUNTY.
9. The Milwaukee County Department of Public Works utilizing available data has reviewed this permanent easement, but in no way can the COUNTY assure complete accuracy. The GRANTEE shall comply with all state and local laws regarding location and protection of existing utilities. The GRANTEE shall contact Diggers Hotline, the Park Maintenance Division of the Milwaukee County Department of Parks, Recreation and Culture and all applicable municipalities prior to commencing any construction to verify all pertinent easements and existing utility locations within the easement area. Punitive damages will be charged, if easements are not strictly adhered to, for additional personal charges and subsequent property damages.
10. COUNTY shall not, within the described easement area strip: a) Erect any buildings, structures, tanks, antennas or other improvements nor place any mobile home, whether permanent or temporary, b) Place or store any flammable materials, c) Plant trees, except as permitted pursuant to Section 12, below, d) Place water, sewer or drainage facilities, or e) Alter the elevation of the existing ground surface.
11. GRANTEE is also granted the associated necessary rights to: a) Enter upon the easement area strip for the purposes of exercising the rights conferred by this permanent easement, b) Construct, install, maintain, operate, repair, replace, rebuild, inspect, test, patrol and remove the above facilities and other appurtenances that the Grantee deems necessary, and c) Trim, cut down and remove any or all brush, trees and overhanging branches now or hereafter existing on said easement area strip, except as prohibited pursuant to Section 12, below.
12. Notwithstanding Sections 10 and 11, above, the COUNTY shall be permitted to plant trees and/or brush within the areas identified in Exhibit "B," attached hereto. GRANTEE shall not cut down or remove such trees and/or brush identified in Exhibit "B" without the approval of the COUNTY, with such approval not to be unreasonably withheld. The foregoing areas identified in Exhibit "B" shall otherwise be subject to all other restrictions and requirements outlined in this document.

NOW, THEREFORE, it is further agreed that the GRANTEE in consideration of the permanent easement so granted to it through all the land previously described, hereby covenants and agrees with the COUNTY that it will construct and maintain said facilities in good order and condition and that, in and during the construction of said facilities and thereafter in and about their operation, maintenance, repair or reconstruction, will indemnify and save harmless the COUNTY, its successors and assigns, from all loss or injury to its property due to such construction, operation, maintenance, repair and reconstruction, and that no special charge will be made against said land, for the cost of such construction, operation, maintenance, repair and reconstruction. The COUNTY reserves unto itself, its successors and assigns, all mineral rights and the right to make any inspection it may deem expedient to the proper enforcement of any term or condition of this easement or in the exercise of its police powers; and to make such use of the land included in the previously described permanent easement area (except as prohibited as set forth herein) as will not injure or disturb said underground conduit and cables or its appurtenances, provided, however, that plans for said improvements be reviewed and approved by the GRANTEE prior to construction. Said approval will not be unreasonably withheld, and the review will be made in a timely fashion for no charge to the COUNTY.

The parties hereto do hereby agree to the terms and conditions set forth in Exhibits "A", "B", and "C" attached hereto and made a part hereof. The term "utility" on said Exhibit "A" shall mean GRANTEE, and the term "landowner" on said Exhibit "A" shall mean COUNTY.

TO HAVE AND TO HOLD the same to the only proper use and benefit of the GRANTEE, its successors and assigns forever, and the foregoing shall bind the successors and assigns of the COUNTY and the GRANTEE

IN WITNESS WHEREOF, the authorized representatives of the above-named parties have caused their hands and seals to be hereunto affixed.

EXHIBIT "A" [WI Sta. 182.017(7)]

1. In constructing and maintaining high-voltage transmission lines on the property covered by the easement, the utility shall:
 - a) If excavation is necessary, ensure that the topsoil is stripped, piled and replaced upon completion of the operation.
 - b) Restore to its original condition any slope, terrace, or waterway, which is disturbed by the construction or maintenance.
 - c) Insofar as is practicable and when the Landowner requests, schedule any construction work in an area used for agricultural production at times when the ground is frozen in order to prevent or reduce soil compaction.
 - d) Clear all debris and remove all stones and rocks resulting from construction activity upon completion of construction.
 - e) Satisfactorily repair to its original condition any fence damaged as a result of construction or maintenance operations. If cutting a fence is necessary, a temporary gate shall be installed. Any such gate shall be left in place at the Landowner's request.
 - f) Repair any drainage tile line within the easement damaged by such construction or maintenance.
 - g) Pay for any crop damage caused by such construction or maintenance.
 - h) Supply and install any necessary grounding of a Landowner's fences, machinery or buildings.
2. The utility shall control weeds and brush around the transmission line facilities. No herbicidal chemicals may be used for weed and brush control without the express written consent of the Landowner. If weed and brush control is undertaken by the Landowner under an agreement with the utility, he shall receive from the utility a reasonable amount for such services.
3. The Landowner shall be afforded a reasonable time prior to commencement of construction to harvest any trees located within the easement boundaries, and if he fails to do so, he shall nevertheless retain title to all trees cut by the utility.
4. The Landowner shall not be responsible for any injury to persons or property caused by the design construction or upkeep of the high-voltage transmission lines or towers.
5. The utility shall employ all reasonable measures to ensure that the Landowner's television and radio reception is not adversely affected by the high-voltage transmission lines.
6. The utility may not use any lands beyond the boundaries of the easement for any purpose, including ingress to and egress from the right-of-way, without the written consent of the Landowner.
