Our laboratory has received full ISO accreditation. All documentation for NAME accreditation was submitted in March 2025. Results from NAME are expected to come by the end of April 2025.

Create partnership with local epidemiologist.

Goal target completion date
12/31/2025

Partnership anticipated to be finalized sooner than goal date, by end of April 2025.

Maintain competitive compensation for investigative and autopsy staff within 10% of Hennepin County, MN Office.

Hennepin County Medical Examiner's Office is an office of similar population, case load, and case type. The compensation calculated is an average for investigative and autopsy staff only.

Prioritize continuing education seminars for four employees annually by July 2025.

In 2024, three pathologists, six forensic chemists, and six investigators attended continuing education seminars.

Promote positive working relationships by increasing office luncheons and outside work activities with a goal of at least two outside work activities annually.

MCMEO staff organized participation in the Cream Puff 5k and attended a Milwaukee Milkmen baseball game to promote a collegial environment and positive working relationships among staff.
