Interoffice Communication

DATE: August 16, 2013  
TO: Marina Dimitrijevic, County Board Chairwoman  
FROM: Don Tyler, Director, Department of Administrative Services  
SUBJECT: Appointment of Joshua Fudge to the position of Fiscal and Budget Administrator

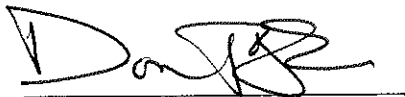

Subject to approval of the Finance and Audit Committee and confirmation by the County Board of Supervisors, I am pleased to appoint Joshua Fudge to the position of Fiscal and Budget Administrator for Milwaukee County.

Mr. Fudge has been admirably performing the duties of the position on an interim basis, providing guidance and leadership in the preparation of the 2014 County Executive Budget for September presentation.

His proficient skill set includes significant fiscal analyses, budget preparation and implementation; experience in planning and policy development; management of fiscal forecasting and reorganizational development and supervision of financial and administrative functions. As indicated by his resume (attached), much of his expertise has been honed in governmental environments, the majority of which has been with Milwaukee County. This experience provides him with valuable knowledge and historical background familiarity on many of the county's complex issues.

Stepping aside from his position as Director of Strategic Planning, where he has been leading the effort on countywide strategic planning, he has positively demonstrated his management skills while capably overseeing a staff of seven as the Interim Fiscal and Budget Administrator.

I believe he possesses the technical and leadership skills along with the depth of experience that qualify him to address the fiscal challenges of Milwaukee County. I respectfully ask you to give this appointment your favorable consideration.

Don Tyler, Director  
Department of Administrative Services
