

OFFICE OF THE COUNTY EXECUTIVE

**Chris Abele**

MILWAUKEE COUNTY EXECUTIVE

DATE: October 30, 2017  
TO: The Honorable Milwaukee Board of Supervisors  
FROM: Chris Abele, Milwaukee County Executive  
RE: County Board File No. 17-627

---

I am returning file 17-627 to you unsigned. Because the County Executive values transparency, he has created a page on his website (<http://county.milwaukee.gov/RST>) for all information on the Retirement Sustainability Taskforce, including agenda, meeting minutes, and any other materials. Further, all meetings are open to the public. In addition to the two Supervisors who volunteered to serve on the taskforce, all other Supervisors are welcome to attend.
