File No. 14-688

(ITEM) A resolution by Supervisor Weishan, Jr., requesting that the Director of General Mitchell International Airport evaluate current Airport ground transportation practices, review County ordinances relating to Airport ground transportation, and create a recommendation to reform Airport ground transportation practices, rules, regulations, and County ordinances with a report back to the Milwaukee County Board of Supervisors no later than December 2014, by recommending adoption of the following:

A RESOLUTION

WHEREAS, on July 31, 2014, the Mayor of Milwaukee signed legislation (File No. 131800) lifting the cap on the number of taxicabs allowed to operate in Milwaukee and permitting ridesharing companies to operate legally as of September 1, 2014; and

WHEREAS, technology-based ridesharing companies, such as Uber and Lyft, are growing across the country and are shepherding in a new era in transportation options; and

WHEREAS, airports throughout the United States are struggling with incorporating this new alternative transportation into their operations; and

WHEREAS, currently the Milwaukee County Code of General Ordinances, Chapter 4.05, dealing with ground transportation at the Airport, does not reflect the changes in the City's ordinances or account for the new ridesharing technologies; and

WHEREAS, in light of changes occurring in ground transportation options here and across the nation, it is necessary to consider reform of the ground transportation services at the Airport to ensure that General Mitchell International Airport continues providing the best and safest options in ground transportation to its patrons; now, therefore,

BE IT RESOLVED, that the Milwaukee County Board of Supervisors requests the Airport Director to evaluate current Airport ground transportation practices, review County ordinances relating to airport ground transportation, and create a recommendation to reform airport ground transportation practices, rules, regulations, and County ordinances, if necessary; and

BE IT FURTHER RESOLVED, that the Airport Director is requested to report back to the Milwaukee County Board of Supervisors with the findings as soon as practicable, but no later than the December 2014 Board meeting cycle.
