**Re: Decision of the Milwaukee County Administrative Review Committee (TPWT) as to appeal of William Sackerson Construction Company, Inc. of the Non-Responsible determination on Project No. 0433-13447**

Dear Mr. Sackerson and Mr. High:

On Friday, May 8, 2015, the Milwaukee County Administrative Review Committee (ECD) convened to hear the appeal of William Sackerson Construction Company, Inc. of the Non-Responsible determination on Milwaukee County Project No. 0433-13447, Protective Glass Barrier, Criminal Justice Facility. Based upon a review of the record pursuant to Section 110.09 of the Milwaukee County Code of General Ordinances (MCO), and having heard argument from the parties based upon that record, the committee **upheld** the Department of Administrative Services, Architecture and Engineering Division determination that William Sackerson Construction Company, Inc. was not a responsible bidder in conjunction with the above-referenced project.

That review was the final administrative review level available through MCO Chapter 110. A party who wishes to further appeal the determination has thirty (30) days from receipt of this letter to file an appeal in circuit court. *See* Wis. Stat. § 68.13(1). Although there is no requirement that you do so, you may wish to seek legal assistance for any such appeal.

Sincerely,

Kathryn M. West  
Assistant Corporation Counsel
