DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
 - B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. ¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
 - C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
 - D. Describe any assumptions or interpretations that were utilized to provide the information on this form.
-
- A. Approval of this resolution/ordinance will create Section 201.24 (8.23) of the Milwaukee County Code of General Ordinances related to notification of plan sponsors of the Employees' Retirement System (ERS) of any Voluntary Correction Program (VCP) filings with the Internal Revenue Service (IRS). Specifically, the Corporation Counsel, Human Resources Director, and Director of Retirement Plan Services (RPS), jointly or separately, shall notify the County Executive and County Board within five (5) business days of any VCP filings with the IRS related to errors in the administration of the retirement system. The written report shall be submitted to the County Board chairman for referral to the Committee on Finance and Audit.
 - B. It is expected that existing staff time will be required to provide the notification to the plan sponsors of any VCP filings. No additional expenditure of funds are required. Funding for the positions required to provide written notification are included in the annual budget.
 - C. No budgetary impacts are anticipated in 2017 or 2018.
 - D. No assumptions were used.
