

John Hohenfeldt
Mayor, City of Cudahy

August 15, 2016

Program Director
Milwaukee County EMS
9501 W. Watertown Plank Road
Wauwatosa, WI 53226

Dear Program Director:

I write to submit my name for appointment by the County Executive and submitted to the County Board to the Milwaukee County EMS Council. As the statutory head of a Police and Fire Department, I believe that my past and current experience would be beneficial to the EMS Council, and to the citizens of Milwaukee County which we serve.

As Mayor of the City of Cudahy, I have held the honor and privilege of serving the residents of Cudahy from 2004 to 2007, and from 2013 on. After a most recent reelection, I have the continued honor to serve my community for another three years.

As a part of that service, is also to be involved in various aspects that not only affect my community, but the entire population of Milwaukee County. Since October of 2014, I have had the honor to serve on the Milwaukee County EMS Council and would once again accept this opportunity to serve.

I have always considered myself as a leader that is a team player. In my responsibilities on the EMS Council, I study and review the issues which are good for the masses, take the time to investigate and review items that will benefit all of the residents we serve. As a "non host community of a Paramedic Unit", I bring a unique perspective to the EMS Council that provides a benefit all that we serve.

Since being appointed by the County Executive in 2014 and confirmed by the Milwaukee County Board of Supervisors, I have attended every meeting of the EMS Council and always stand ready and prepared to serve. I would look forward to that continued honor.

Respectfully submitted,

John R. Hohenfeldt

Mayor / Cudahy
