Summary of Equity Plan

1. All positions are being reviewed for equity.
2. Highest turnover right now is in the position of DCC. Those positions must be filled in order for a court to function.

Also a position that has unequal compensation for more experienced clerks due to a number of factors.

For Deputy Court Clerks, our equity plan is:

No dcc may advance to the top step unless through merit

DCC's in the position since 2008, 2009, 11 will be given a double step (with 1 exception)

Court Staff 2010 to 2014 wil move up 1 step provided a min of 3.0 and no corrective action (DCC'S 2010 AND 11 WILL GET DOUBLE)

DCC's/Court Staff appointed 2015, 2016 not considered

3. All office positions will be reviewed with the same criteria applied
4. 1 Court Commissioner included due to equity

**1 employee was a lateral transfer "appointed" in 2015 but has been in the "position" since 2011. Employee. #110018

**"Job begin date of 7/1/07 is a "conversion" date, not actual.
