APRIL 2024

Reconstruction Project

Project Overview

Beginning in spring 2024, 13th Street is scheduled to be reconstructed from Puetz Road to Drexel Avenue, with a scheduled completion of fall 2024 and final restoration in spring 2025.

The project will include:

- + Reconstruction of the existing pavement structure and replacing it with concrete pavement.
- + Installation of curb and gutter and median with a pedestrian crosswalk at Oak Creek West Middle School.
- + Coordination with the City of Oak Creek on a project that will upgrade the crosswalk signals at Oak Creek West Middle School.
- + Installation of sidewalk along the corridor.
- + Signal improvements at the intersection of 13th Street and Puetz Road.
- + Drainage improvements near Willow Drive.
- + On-street bicycle accommodations from Puetz Road to Drexel Avenue.
