Hi Brian,

I wanted to follow up with you on a couple of items we discussed a few weeks ago.

1. Regarding the Park East, I spoke to the Secretary's Office and they would prefer the land continued to be offered via a public bid process per FHWA rules and regulations. This would allow for a competitive bid process and allow everyone to have a fair and equal opportunity to acquire the land.

2. Please contact Carrie Cox in our Office of General Counsel regarding the Zoo Interchange and the continued discussion about DOT's land acquisitions. She has been involved from the beginning on this process with Milwaukee County and would bring a larger overview of the properties. I know she has been working with Alan Marcuvitz as well so she will be familiar with the discussion. If you need her contact information let me know.

Thanks and please let me know if you have any additional questions.

Regards.....John
