A RESOLUTION

WHEREAS, Wis. Stats. §59.40(4) states that the Clerk of Circuit Court, with board approval, may contract with a debt collector for the collection of unpaid fines, fees, and forfeitures, and

WHEREAS, any contract entered into shall provide that the debt collector shall be paid from the proceeds recovered by the debt collector, and the net proceeds received by the Clerk of Circuit Court after the payment to the debt collector shall be considered the amount of fines, fees, and forfeitures collected for the purposes of distribution to the State and County; and

WHEREAS, fees, fines and forfeitures collected are set and specifically allocated between Milwaukee County, specific State agencies and /or State general revenue pursuant to various Wisconsin Statutes, with the estimated split being approximately 70% going to the State and 30% going to the County; and

WHEREAS, a competitive Request for Proposal (RFP) for debt collection services was issued on February 2, 2016, Milwaukee County Official Bid Notice Number 98160001; and

WHEREAS, the responses to the RFP were reviewed and evaluated by a team which gave the highest overall scores to Credit Management Control; and

WHEREAS, the commission rates will be 13% of collections paid at the contractor's office, 11% of collections paid directly to the County (after referral of the debt to CMC), 6% of collections received through the Tax Refund Intercept Program (TRIP), all of which are 1% lower than the rates contained in the previous debt collection contract, and 0% on any restitution collected; now, therefore,
