DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. ¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions/interpretations that were utilized to provide the information on this form.

A.) This item authorizes the Benefits Division to renew the contract with Dental Associates (Care Plus) for fully-insured DMO Dental coverage for the 2018 plan year. The contract is for a base rate of \$44.77 single coverage, \$111.94 family . At current enrollment, the total cost is estimated to increase by approximately \$5,079.38.

C.) This increase has been incorporated into the 2018 Adopted Budget. All costs in subsequent years will be reflected in the org.1950 (non-departmental fringe benefits) budgets.

D.) The cost projections for 2018 are derived by applying the County's current enrollment to the proposed contract terms. Changes in enrollment will have a corresponding positive or negative impact on the projections.
