RE: Confirmation of Margaret Daun, Corporation Counsel

Shortly, you will take up the appointment of Margaret Daun to Corporation Counsel. I wholeheartedly support her and her confirmation.

Most of you know that I served on the County Board for over 23 years before being elected to the City of Milwaukee Common Council. During part of that time I did serve on the Judiciary, Legislative and General Services committee, including a short stint as chairman. I have had the opportunity to work with many Corporations Counsels and I can tell you, Ms. Daun, unequivocally, would be outstanding. Why? In the short time that I have worked with her at the city she was very impressive.

As you get to know her, you will find her to be very intelligent, articulate, and visionary. I was saddened but not surprised when the county recruited her. Her greatest attribute is that she's very trustworthy. When you work and deal with her you will get that sense. If she does not meet any of these expectations, I would be shocked and would want to know. This is a great hire for Milwaukee County.

Thank you for your consideration and call me if you have any comments or questions. All the best for your future deliberations with the Milwaukee County government.

Sincerely,

Mark A. Borkowski, Alderman
