

August 25, 2016

Attn: Luis Padilla and Mark Tillman
Department of Labor Relations
Milwaukee County Courthouse
901 North 9th Street, #210
Milwaukee, WI 53233

The Milwaukee Building Trades met with Milwaukee County Building Trades employees on Tuesday, August 8th and ratified and accepted the proposed wage increase of 0.7% retroactive to the contract's expiration date.

Because non-represented employees have received wage increases, wage bonuses and have not received an increase on their health or pension premiums, the Milwaukee Building Trades is requesting that the following market wage adjustments for members of the Building Trades employed by Milwaukee County be implemented for retainment of employment:

**We are requesting a 1.3% wage increase retroactive to the contact expiration.
Finally, we request a 0% increase in health care premiums for the upcoming 2016 fiscal year.**

The county has budgeted for this market retainment increase and would appreciate it moving forward for appropriate approval by the Board or County Executive.

Sincerely,

Daniel J. Bukiewicz
President
