DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
 - B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. ¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
 - C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
 - D. Describe any assumptions or interpretations that were utilized to provide the information on this form.
-
- A. DHHS is requesting the creation of two Housing Supervisor positions at pay range 30M in Housing Services.
 - B. The net annual increased cost for the Housing Supervisor positions is estimated to be about \$6,627 for each position or \$13,253 for both positions which reflects salary and social security assuming step 3 of pay range 30M. These additional costs will be offset with American Rescue Plan Act (ARPA) and Emergency Rental Assistance (ERA) 2 funds until the end of 2025. Once the grants sunset, DHHS will need to absorb these costs into its existing budget.
 - C. The total fiscal impact for the remainder of 2022 is \$0 since the positions will not be filled until early 2023.
 - D. This fiscal note assumes that two positions made vacant by the hire of the two Housing Supervisors will be held vacant throughout 2023 until those two vacant positions can be abolished in the 2024 Budget.
