2. Scope of Service

Contractor shall specifically perform all of the services and achieve the objectives as set forth in the proposal submitted by Contractor to County, which is attached hereto as Exhibit I, Description of Proposed Programs and Services, and incorporated by reference. Contractor shall perform all services provided under this Contract in the manner prescribed by the relevant Program/Service Guidelines or Specifications, which are herein incorporated by reference and made a part of this Contract as if physically attached hereto.

3. Staffing and Delivery of Programs/Services

- A. Contractor shall provide all personnel required to perform the programs or services under this Contract. Such personnel shall not be employees of County, or have any other contractual relationships with County. Any replacement of personnel listed in Contractor's proposal shall be by persons of like qualifications, which shall be attested to by Contractor. Whenever possible, notification of replacement of personnel shall be provided to County prior to replacement.
- B. Contractor will provide proper supervision to all employees providing programs or services under this Contract. Contractor shall comply with all federal, state, and local laws and regulations and shall maintain in good standing all licenses, permits, and certifications relating to the programs and services referred to herein.
- E. All clients served by Contractor under this Contract must meet County's eligibility requirements as described in the relevant Program/Service Guidelines or Specifications. It is further recognized and agreed by County and Contractor

- B. Contractor agrees to report to County all funds contributed by clients and to record and document such contributions consistent with the accounting requirements for other funds received and expended under this Contract.
- C. Contractor agrees that any and all client contributions will be used as provided in the budget contained in Exhibit I or to provide additional services to eligible clients under this Contract in the same manner and at a cost equivalent to other services purchased through this Contract. From time to time, Wisconsin Milwaukee County (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below.
