

To Whom It May Concern,

My name is Brian Linert, and I am an Assistant Medical Examiner at the Milwaukee County Medical Examiner's Office. I am writing to offer my recommendation that Dr. Wieslawa Tlomak be appointed as the Chief Medical Examiner for the Milwaukee County Medical Examiner's Office.

I have worked with Dr. Tlomak for over ten years at this point. That includes my time as an Assistant Medical Examiner (started July 2013) and my year of training as a fellow in Forensic Pathology (2012 through 2013). Other doctors have come and gone during that time, but she has been a constant within the office. She is well-respected within the field of Forensic Pathology, particularly when it comes to educating fellows, and I rely on her advice when navigating my own difficult cases. She is an educator, mentor, colleague and friend. She has been working in this office for longer than any of the other physicians here and has weathered a number of difficult times. I feel that experience is directly applicable to our current situation and her long tenure with this office shows her dedication to Milwaukee County and to the field of Forensic Pathology.

Given her degree of experience in forensic pathology, her long-time dedication to the Milwaukee County Medical Examiner's Office, and my personal experience working with her, I whole-heartedly recommend her for the position of Chief Medical Examiner for Milwaukee County.

Sincerely,
Brian S. Linert, MD
