If you do not wish to speak, please write brief comments here:

Raise the minimum wage to \$15 an hour. It will enable individuals to become self-sufficient.
\$1 a day for the GO Pass will cause hardship for many. This is almost exactly the cost previous other cities have made the GO Pass work without having to resort to a daily fare. Why even have a GO pass if general public is unable to pay almost exactly the same as a daily fare with a superior fare of \$4.10.
The Milwaukee County Board of Supervisors appreciates your participation and welcomes your comments.
