## DESCRIPTION OF FISCAL EFFECT

**In the space below, you must provide the following information. Attach additional pages if necessary.**

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. <sup>1</sup> If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

A. The Director of the Department of Health and Human Services (DHHS) is requesting authorization to amend 2014 purchase of service contracts with the Cathedral Center and Salvation Army to provide Emergency Shelter Care within the Housing Division.

The 2014 Adopted Budget includes an additional \$300,000 to assist various homeless shelters. In collaboration with the City of Milwaukee and the Shelter Task Force, the recommended allocations for this additional funding were based on the number of shelter beds that each agency operates with all agencies involved receiving increases in their contracts. However, the majority of these contracts reflect total values of less than \$100,000. Therefore, DHHS is seeking approval for amendments to only two contracts which total above \$100,000.

The contract with the Cathedral Center increases \$42,997 (from \$175,000 to \$217,997) and the contract with the Salvation Army increases \$99,674 (from \$54,406 to \$154,080).

B. Total 2014 expenditures included in this request are \$142,671.

C. There is no tax levy impact associated with approval of this request in 2014 as funds sufficient to cover associated expenditures are included as part of the Housing Division's 2014 Budget.

D. No assumptions are made.

---

<sup>1</sup> If it is assumed that there is no fiscal impact associated with the requested action, then an explanatory statement that justifies that conclusion shall be provided. If precise impacts cannot be calculated, then an estimate or range should be provided.
