1. Time period pretty much prohibitive.
any public feedback & input.
2. Duplication of services with
the UEC? - Right down the trail.
3. How much is in maintenance &
repairs in the operating budget -
are we going to repeat the last
50 years?
4. As a neighbor - I hate the road
I run here regularly & really
need to know how a thru-way
adds to revenue generation - a
good idea one thing? but a thru-way
I am totally opposed to.
