EXPERIENCE

KG DEVELOPMENT GROUP

July 2018 - to present

Principal

KG Development is a full-service real estate development firm that strengthens communities by providing intentional, sustainable, and supportive solutions that remove SDOH barriers to benefit people and their communities. Solutions to SDOH barriers developed and implemented by KG Development Group include economic stability, neighborhood and physical environment, education, access to healthy food options, access to quality healthcare, and relational and social capital supports.

J.H. FINDORFF

Project Engineer & Cost Estimator

Jan 2013 – July 2018

- Manage and help oversee all phases of construction projects from initial planning to completion, ensuring projects are completed on time and within budget.
- Coordinate and supervise subcontractors, laborers, and project teams, ensuring adherence to safety protocols and quality standards.
- Develop and maintain project schedules, budgets, and documentation.
- Conduct site inspections and ensure compliance with local building codes and regulations.
- Resolve issues and conflicts that arise during construction to keep projects on track.

AEVENIA INC

Project Engineer

May 2011 – Dec 2012

- Assisted in the planning and execution of construction projects, providing technical support, and ensuring project specifications were met.
- Collaborated with architects, engineers, and clients to develop project plans and timelines.
- Monitored project progress and provided regular updates to stakeholders.
- Conducted site inspections and quality control checks to ensure project standards were maintained.
- Managed project documentation, including contracts, permits, and change orders.
