As an active Block Watch Captain, my phone has been ringing with neighbors telling me they do not want the Gun Club to move to Warnimont Park. People on the street tell me the same thing.

The Gun club was bad stewards of the land they were on and we don't believe they will be good stewards if moved to Warnimont Park.

This is a quiet and well groomed neighborhood and we want to keep it that way.

Any County Supervisor who supports the Gun Club move to Warnimont, please take them to your community.
