DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
 - B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. ¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
 - C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
 - D. Describe any assumptions or interpretations that were utilized to provide the information on this form.
-
- A. Approval of this resolution will increase the annual salary for the elected Constitutional Officer positions of County Clerk, Register of Deeds, and County Treasurer for the next term of office beginning in January 2025 in accordance with Milwaukee County General Ordinance Section 17.98 and Wis. Stat. § 59.22(1)(a).
 - B. Approval of this resolution will increase the annual salary for the three positions identified above beginning January 6, 2025. The increase in salary is 11.5%, from \$91,483.34 to \$102,004 annually. The additional increase in salary is estimated to be \$33,976 per year. This includes 7.65% in employer FICA costs for Social Security (6.2%) and Medicare (1.45%).
 - C. The funding for the higher salary amount will need to be included in the 2025 and subsequent budgets for the three offices. There is no fiscal impact in 2024.
 - D. No assumptions were used.
