DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. ¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

A. The Office of Performance, Strategy & Budget requests retroactive authority to apply, and accept, for the 2021 Justice Assistance Grant from the U.S. Department of Justice.

B. Approval of this request will result in possible 2021 JAG funds totaling \$922,735 being provided to the following agencies:

Milwaukee County:	\$508,748*
City of Milwaukee:	\$392,607
City of West Allis:	\$21,380

*Includes the Wisconsin Policy Forum subaward of \$116,141 to fund the Community Justice Council Director as agreed to by both the County and City of Milwaukee.

C. It is anticipated that the County will not spend any of the 2021 JAG dollars in 2021. This is because the award is announced late in the year and because of such, no entity can spend funds until verification/acceptance of the award is actually announced.

D. This grant does not require a local match, however staff time is required because DAS-PSB and the Grants office are the fiscal agents for the grant. DAS-PSB will, upon receiving verification of expenses submitted for reimbursement consistent with the approved spending plan, transfer funds to the appropriate account from the trust account that will be created. In addition, DAS-PSB will make payments to the Wisconsin Policy Forum and the municipalities listed above for eligible costs upon receipt of appropriate documentation and set up of the grant.

¹ If it is assumed that there is no fiscal impact associated with the requested action, then an explanatory statement that justifies that conclusion shall be provided. If precise impacts cannot be calculated, then an estimate or range should be provided.
