RE: Informational report on former Unison contracts

Background

Per File 18-897, which the County Board of Supervisors approved on December 13, 2018, the Department on Aging is required to submit monthly reports to the Milwaukee County Board of Supervisors as an update on contracts formerly held by Unison.

MCDA has contracts in place with Serving Older Adults of Southeastern WI (SOA) to manage the five county-owned senior centers and the dining sites located inside of those senior centers. All senior centers and dining sites continue to remain open on their normal schedule. All senior center programming questions can be directed to Vevette Hill, SOA's Senior Vice President, at vevettehn@servingolderadults.org or 414-704-3343. MCDA's Jill Knight can also answer questions about senior center programming activities.

With regard to the 13 remaining congregate dining sites which are not being managed by SOA, services started on January 2nd and continue to operate on their normal schedule. MCDA is temporarily contracting with PS Companies to pay dining site supervisors until a permanent managing vendor can be found. MCDA has reached a verbal agreement with Milwaukee Christian Services to take on the management of these 13 sites. Specific senior dining questions can be directed to MCDA's Beth Monrial Zatarski, Senior Dining Program Director, and senior dining information can also be found on the MCDA website at <https://county.milwaukee.gov/EN/Department-on-Aging/Senior-Centers-Dining>.

Regarding Family Caregiver Support Network (FCSN) services, MCDA has received verbal confirmation from the Alzheimer's Association that they will manage these services in 2019. MCDA continues to work with Alzheimer's Association staff on a 2019 contract. In the interim and until a contract is signed with the Alzheimer's Association, caregivers who call MCDA's Aging Resource Center seeking respite services have their contact information taken by MCDA staff. Per direction from the Wisconsin Department of Health Services, MCDA will process payments to family caregivers and vendors until a signed contract with the Alzheimer's Association is finalized. Caregiving resources can be found at www.wisconsin caregiver.com.

Regarding the Neighborhood Outreach Program (NOP) and neighborhood outreach services, while MCDA is no longer subsidizing these services, Unison management has indicated to us that they continue to manage these services for older adults without

MCDA funding. All NOP questions can be directed to Unison's main line at 414-291-7500.

While MCDA is no longer subsidizing the services listed below, Unison management continues to indicate that they are providing these services for older adults without MCDA funding:

- Senior employment services - Senior employment questions can be directed to Unison's main line at 414-291-7500.
- Telephone reassurance services - All telephone reassurance questions can be directed to Unison's main line at 414-291-7500.
- Outreach at senior housing sites – All questions can be directed to Unison's main line at 414-291-7500.
