

Cindy Bentley

Executive Director of People First Wisconsin 2021-Present

Cindy Bentley is the Executive Director of People First Wisconsin (PFW). PFW is a non-profit, statewide advocacy organization, run by and for people with disabilities. Cindy is a fearless advocate who leads other self-advocates across the state of Wisconsin in making our communities more accessible. Whether it's voting rights, housing, community inclusion, mental health, employment or transportation, Cindy leads the charge.

Cindy serves on several boards and works closely with other agencies/organizations that work for equal opportunities for people with disabilities.
