The Director of the Department of Facilities Management (DAS-FMD) requests acknowledgement of the review of the Milwaukee County Compliance Maintenance Annual Report (CMAR) for 2023, by recommending adoption of the following:

A RESOLUTION

WHEREAS, it is a requirement under a State of Wisconsin (the State) Pollutant Discharge Elimination System (WPDES) permit issued by the State Department of Natural Resources (DNR) to file a Compliance Maintenance Annual Report (CMAR) for Milwaukee County's (the County's) wastewater collection system under State Code Natural Resources 208; and

WHEREAS, the County has an extensive system of sanitary sewers serving its many parks, buildings, and other facilities; and

WHEREAS, the County is operating under a stipulated agreement with the DNR and State Attorney General's Office to cure problems cited in Claim WI-0047341-03; and

WHEREAS, it is necessary for the County to acknowledge that its governing body has reviewed its annual CMAR; and

WHEREAS, the Committee on Community, Environment, and Economic Development, at its meeting of July 29, 2024, recommended adoption of File No. 24-619 (vote 4-0); now, therefore,

BE IT RESOLVED, the Milwaukee County Board of Supervisors acknowledges the following Capacity Management, Operation, and Maintenance (CMOM) Program goals identified in the 2023 Compliance Maintenance Annual Report:

1. Comply with the conditions of the Wisconsin Pollutant Discharge Elimination System permit
2. Minimize the occurrence of preventable overflows
3. Ensure proper operation and maintenance is performed on Milwaukee County sewer collection system assets
4. Improve or maintain system reliability
5. Reduce the potential threat to human health from sewer overflows
6. Provide adequate capacity to convey peak flow
7. Manage infiltration and inflow
8. Protect collection system worker health and safety
9. Operate a continuous CMOM Program
