TICKETS AVAILABLE FOR WISCONSIN'S SCARIEST HAUNTED ATTRACTION

Milwaukee's most frightening outdoor haunted house experience, The Hill Has Eyes, features four terrifying attractions. Enjoy snacks, refreshment and nightly music and hang out at the bonfire with your friends.

After being contained and led to the gates of the haunted trailer park, our cast of mutant cannibal hillbillies will chase you and your friends through the warped trailer park of Failed Escape. All exits lead to Hunger Hollow, where you're corralled into the toxic Lemberger landfill, where more than a million gallons of waste lie below. Here, the full depravity of the landfill dwellers is revealed, as the captured are skinned alive, butchered and eaten before their

souls are committed to Satan and their husks rise again with infernal life. Survive the haunted trails with your soul intact. Only then can you become one of Them, cursed to an eternity of torment in the devil's carnival.

They know you're coming. They're always watching you, waiting for you. They know you can't resist their call, and it's only a matter of time before they make you one of their own. This October, there is no escape. There is no mercy. There is only The Hill, and The Hill Has Eyes.
