RE: Request for authorization to execute a 2020 program and service contract with Able Access Transportation for transportation services for older adults

I respectfully request that this report and attached resolution, fiscal note, and draft contract be scheduled for consideration by the Committee on Finance and Audit at its regularly scheduled meeting in December 2019.

Transportation services provided through the Milwaukee County Department on Aging (Aging) are funded by the federal Older Americans Act (OAA), State of Wisconsin (the State) Section 85.21 Specialized Transportation Assistance Program for Counties grant funds, and state Basic County Allocation funding.

Through Able Access Transportation, MCDA's transportation services connect older adults to grocery stores, medical appointments, and senior centers to ensure that they remain healthy and socially connected.

MCDA first contracted with Able Access Transportation in 2019. The 2020 award recommendation of \$1,410,440 is based upon satisfactory performance by the vendor during 2019 as well as sufficient funds being included in the 2020 Adopted Budget.

The Milwaukee County Commission on Aging approved this award recommendation at their meeting on November 8, 2019.

If you have questions, please contact me at 289-6073.
