Subject: Status Report – Courthouse Fire Audit (File No. 14-952)

At their meetings in January 2015, the Committees on Finance, Personnel & Audit and Transportation, Public Works & Transit reviewed our audit report, "Aftermath of Courthouse Fire Illustrates Need for Improved Insurance Claims Management and Business Continuity," and adopted a resolution indicating concurrence with the report recommendations.

Status reports were previously submitted for the April and October 2015 and the March and October 2016, committee cycles.

A current status report is attached for your review. Department of Administrative Services and Office of Emergency Management updates for March 2017 are highlighted in yellow.

This status report is informational and due to the remaining efforts required to fully implement the recommendations, we plan to provide a status report for the December 2017 committee cycle.
