

## PARKS DEPARTMENT STRATEGIC GOALS

### Increase acres of natural areas

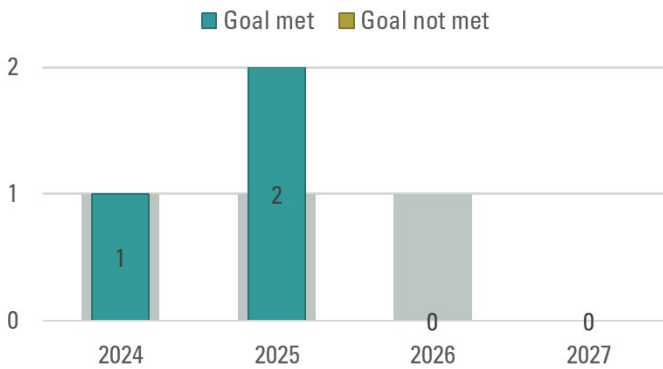

Increase in acreage of designated Natural Areas, including the conversion of turf grass to natural areas

### Increase free picnic sites and fields by 8-10 in each region

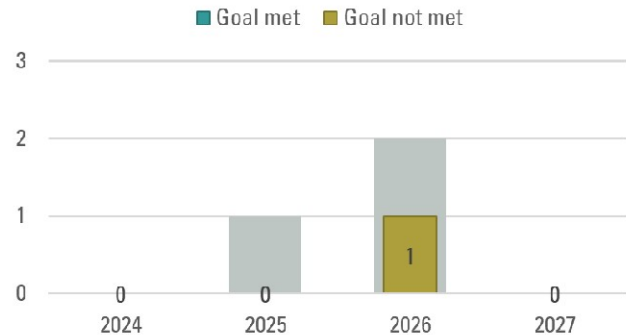

Increase in free to use picnic sites and athletic fields covering the north, central and south regions of the County.

### Create three pickleball court sites with one in each region

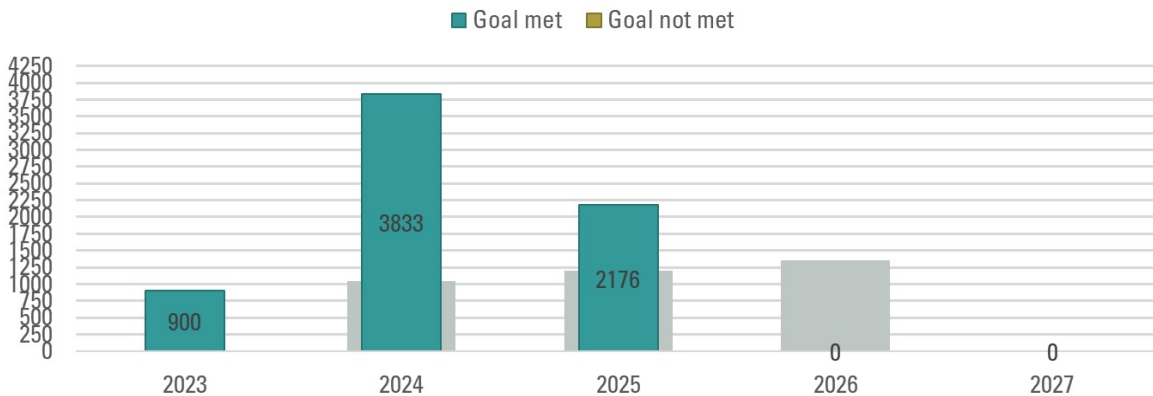

Addition of new pickleball facilities with at least one in the north, central and south regions of the County.

### Implement three recommendations from the Aquatics facility plan

Implementation of aquatic facility recommendations, guided by a strategic plan

### Increase the number of volunteers helping in Parks to 1350

Increase the number of volunteers from 900 to 1350
