

**From:** Co-Chair Shawn Rolland

**To:** The Milwaukee County ARPA Task Force

**Subject:** Emergency Expenditure Request – McGovern Senior Center Roof Repair

**Date:** October 26, 2021

-----

A significant roof leak is causing untreated water to seep into and pool within the McGovern Senior Center located at 4500 W. Custer Ave., Milwaukee. The center serves adults ages 50 and better – providing them with resources, opportunities, and services. On October 15, Milwaukee County Capital Finance Manager Pamela Bryant estimated that the cost to plan for, design and repair the roof would total about \$150,000. An emergency request for \$150,000 of Milwaukee County's ARPA funds is being made to plan for, design and repair the roof.
