DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. ¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

A. The following positions were requested in the 2017 budget and were removed to the appropriation for contingency through amendment 1A045. The District Attorney is requesting the creation of 3 positions and a DAS administrative fund transfer to remove the money from allocated contingency and place into the District Attorney office for the purposes of monetarily supporting the 3 positions.

B. In 2017 the full cost will be \$210,588 which will be withdrawn from the appropriation for contingency through an administrative fund transfer. The 2018 number also does not include any pay adjustments (COLA, performance etc.).

C. The budgetary impact in 2017 is \$210,588 from the Appropriation for Contingency to support the 3 positions. There is sufficient dollars in 2017 to fulfill the requested action of creating 3.0 FTE because money was budgeted in 2017 but was placed in the Appropriation for Contingency through amendment 1A045.

D. The 2017 requested amount of up to \$210,588 for one full year of expense for all 3 position actions.
