

Milwaukee County Board of Supervisors

Date: October 2, 2017

To: Kerry Mitchell, Director
Department of Human Resources

Re: **Objection to MCO 17.05 AND 17.055**

Dear Director Mitchell,

This objection to File No. 17-685, received on September 29, 2017, is made within the specified seven-day time period in order to preserve the ability of Supervisors to consider items at later committee or Board meetings.

The Supervisor reserves the right to withdraw the objection to some or all of the items in the report.

More than five months ago the courts ruled that reallocations are the purview of the Milwaukee County Board. Therefore, I also object to your cover memo, which continues to represent that reallocations would be presented by the Administration to the County Board for information (rather than as an action item). I am disappointed that you have not addressed this ongoing issue despite the back and forth communications on this same topic back in September.

Sincerely,

James "Luigi" Schmitt
Chairman, Committee on Personnel
Supervisory District 6
