V. REVIEW RECOMMENDATIONS FROM THE MILWAUKEE HUBS REPORT FOR APPROVAL BY THE FULL COMMISSION ON AGING (Informational/Discussion Item)

- The contents of this report should be presented publicly to select groups to garner strategic support.
- The Milwaukee County Commission on Aging should continue to aggressively pursue long term partnerships with philanthropic organizations, not for profit entities and like-minded service providers who will benefit from the vision of engaged mature generations of Milwaukee County residents as described in this report.
- A separate non-profit fund-raising entity, modeled on the Friends of the Parks, should be created to build support for Senior Centers as necessary public institutions.
