RE: Informational Requests for 2018 Budget

DATE: October 3, 2017

The Department of Administration – Performance, Strategy and Budget Office (DAS-PSB) receives dozens of requests each year during the month of October from the County Board, Comptroller, and others involved in the budget process. These requests are tracked by DAS-PSB and a pdf file is created in response to each inquiry as it becomes available. The naming convention of the files is “Request [#] – [Last Name of Person Requested] – [Short description of request].pdf”. Responses completed prior to the final adoption of the 2018 budget by the County Board will be added to this informational report as they become available.
