Please vote to have this audit held over until more information and questions are available. This report seems to only restate what was given in the "Between a Rock and a Hard place" audit which was narrow and incomplete. This is exactly why there was a resolution to have a complete audit of the ROC / BPC. Important information was missing, including the statements and assurances made by corporation council Maggie Daun regarding exhibit C and the noise issues at the development. The 585 emails sent to the Billage of a GREENDALE regarding the

ROC / BPC disturbances to name a few. In all actuality this audit seems a bit insulting to the standing supervisors.
