I am expressing my support for the County Sales Tax increase, with a focus on protecting our parks! Healthy, accessible, vibrant parks are a critical part of Milwaukee County. Parks are healing and health, parks are public safety, parks are family, community, togetherness, joy - parks are one of the few free, safe spaces that remain for young people, individuals, and families. If we do not adopt the sales tax, we will run out of dollars for our public

park system, as well as other critical services such as transit and senior services. Milwaukee Parks Foundation urges you to vote yes. Thank you for your consideration and continued conversation on this important topic.
