**County Board
Chairman**

Date: February 23, 2012
To: Lee Holloway, Chairman, County Board of Supervisors
From: Chris Abele, County Executive
Subject: Creation of Residency Requirement Extension for Unclassified Personnel

POLICY

Milwaukee County has a residency requirement for all employees appointed to any position in the unclassified service on or after October 1, 2010 to establish and maintain their domicile and principal place of residence within the geographic limits of Milwaukee County.

Civil service classified employees have the residency requirement as well, but if an extension on the residency grace period is necessitated, they have the ability to seek one from the Milwaukee County Civil Service Commission.

ANALYSIS

As is there no process for unclassified employees to seek extensions to continue their good faith effort to establish residency within Milwaukee County this resolution and ordinance creates an avenue for Milwaukee County employees to continue their employment while observing the Milwaukee County Ordinances.

RECOMMENDATION

I respectfully request the approval of the attached resolution and ordinance changes to effectuate the changes necessary for Milwaukee County employees in classified service to have an avenue to pursue extensions for their residency requirement.

Chris Abele, County Executive
