DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. ¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

This resolution will not result in any new or additional expenditures, since the uncollectable delinquent taxes herein referred to have been carried on the books for many years, and with the contaminated condition of the property, there was no foreseeable way of collecting them.

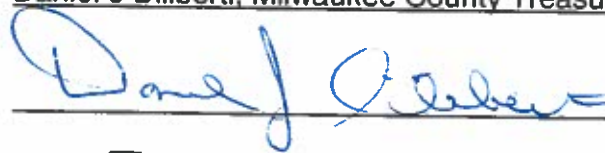

This resolution, along with its transfer to the City of Wauwatosa, will result in the discontinuation of the accumulation of any further delinquent taxes on this property.

This resolution will also result in the remediation of this property, and its return to the tax rolls with the added benefit of tax payments to the County by the new owner.

With the transfer of this property, the uncollectable delinquent taxes in the amounts of \$78,066.42 in principal, \$110,932.93 in interest, and \$55,466.44 in penalty will be written-off as a recognized loss of potential revenue, pending the sale of the property and the possible reimbursement of some of those uncollectable delinquent taxes from the sale of the property.
