Subject: Support for No Parking Zones

Dan,

The City of Greenfield supports the posting of No Parking on the south side of W. Layton Avenue between S. 48th Street and S. 49th Street. There is a driveway at that location leading to a parking lot, and to the farmers market area in Konkel Park. When cars park on each side of the driveway, it is difficult to see traffic coming from the west. No parking would make it easier to both enter and exit the driveway. During the weekly farmers market and special events, that driveway is heavily used.

Greenfield also supports the County's proposal to post No Parking on the west side of S. 92nd Street from W. Howard Avenue to W. Waterford Avenue.

Sincerely,

Jeff Katz, P.E.
