Milwaukee County Zoo Finance Committee Information Requests from October 15, 2021 Meeting

1. Supervisor Rolland requested information regarding how much the mobility scooters are used, what are the associated costs, and what are the profits/or has there been a profit.

The Milwaukee County Zoo has a revenue share contract with Safemark Scooterbug Inc. for strollers, electronic cart vehicles (EVC), and wheelchairs. The contract sets the rental rate for electronic cart vehicles at a minimum of \$30 per rental and the vendor receives 45% of gross sales (less sales tax). The Zoo has chosen to keep the rate of the electronic vehicle at the lowest rate allowed by the contract. For contrast, the State Fair charges their guests \$60 per rental for electronic vehicles.

The Zoo provides manual wheelchairs to guests for free but pays the vendor a lease fee of \$22.50 per wheelchair from April through September and \$10 per wheelchair from October through March based on available units to rent.

The vendor is responsible for maintaining 25 electronic vehicles and 25 manual wheelchairs in working condition.

Electric and Manual Wheel	chair Rentals
Rentals through 9/3	30/21
Electric Cart Vehicle ECV	2,620
Wheelchair	1,371
Total	3,991

Below is the revenue breakdown:

Electric Cart Vehicle Reven	ue S	hare
Electric Cart Vehicle Revenue	\$	78,600
Less EVC Revenue Share Pymt	\$	(35,370)
Less Wheelchair Lease fee	\$	(7,422)
Less Zoo Labor*	\$	(26,006)
Less Sales Tax	\$	(4,323)
Net Zoo Profit	\$	5,479

^{*}Rentals for EVCs, wheelchairs and strollers are handled by the same staff in one location.

2. Supervisor Clancy requested information regarding the total outstanding dollar amount to fund any unpaid internships at the Zoo.

5				Seas ZW3			al Social	_	
Division	Interns	Intern	Hours	Hrly Rate*	Salary	Se	ecurity	10	tal Cost
Animal	12	376	4,512	\$ 11.39	\$ 51,392	\$	745	\$	52,137

^{*}Hourly rate includes the 2022 2% raise.

3. Supervisor Taylor requested information regarding data/statistics of the number of students engaged with virtual/educational programming by the Milwaukee County Zoological Society.

Supervisor Taylor requested this information be sent to all members of the Committee on Finance-Budget.

Below is information from the Zoological Society of Milwaukee.

- Zoo Connect reached 200 classrooms and approximately 5,400 students through our school enrichment programs. Kohls Wild Theater offered virtual school performances to 38,285 audience members. The majority of KWT schools are MPS schools.
- 575 students from West Allis and 1,600 MPS students participated in virtual programming with our grant-funded animal ambassador programs.
- This fall the Society is offering virtual programs only. Our Animal Ambassador programs launched virtually in early October for 2nd through 4th grades and are fully booked for the year.
- The Society is aiming to pilot a 100% outdoors program this fall also to align with some of the feedback we are getting from schools.
- Challenges faced with outreach during the pandemic:
 - Schools have various responses to the Society inquiries: some only want virtual programming; some want zero virtual programming.
 - Some schools will not allow any field trips, some will attend if a field experience is 100% outdoors, some are ready to return to pre-pandemic field trip practices.
 - Some schools will allow the Society to bring programming into their schools, and some will allow no visitors. KWT is offering both virtual and at-school performances. At school is far more popular.

School Stats include:

School 2021-2022	Program Affiliation	# students or classrooms	School District

Subject: Parks Referrals Finance Budget Meeting 10/15/21

Date: Monday, October 18, 2021 3:45:00 PM

Sup. Clancy,

Below was an inquiry directed to Parks during the 10/15/21 meeting of the Finance Committee-Budget

Supervisor Clancy requested information regarding how much in funds should be placed in an Allocated Contingency account,

in the event lifeguard recruitment is successful, and DPRC has the capacity to open additional aquatic facilities.

Data from previous year operations (2016-2019) have been averaged to determine a general cost for utilities, chemicals, equipment etc for each of the pool facilities. Funding for staffing has been estimated to open all areas of the location for between 32-50 hours for a ten week season utilizing an average hourly wage of \$18.57 (which is step 2 of the newly adopted Assistant Head Lifeguard Seasonal). The hours reflect the last year in which rolling closures of facilities were not in effect due to lifeguard shortages. These figures are scalable in some facilities by amount of amenities and/or water surface area open for use. NOTE: There are facilities that haven't been open for multiple seasons such as Holler & Grobschmidt which may require extensive and unknown repairs.

	Ave	rage Facility Cost	Es	timated Labor	
		2016-19	wi	th 2022 wages	Total
		(No Labor)	(Fully Staffed)	
VW17 Bradford			\$	163,787	\$ 163,787
VG50 Grobschmidt	\$	39,150	\$	47,539	\$ 86,689
VG51 Sheridan	\$	71,067	\$	94,150	\$ 165,217
VG52 McCarty	\$	46,630	\$	89,136	\$ 135,766
VR50 Cool Waters	\$	196,142	\$	592,383	\$ 788,525
VR51 Pelican Cove	\$	50,845	\$	115,877	\$ 166,722
VN50 Hales Corners	\$	22,417	\$	72,423	\$ 94,840
VN51 Holler	\$	11,643	\$	35,654	\$ 47,297
VN52 Jackson	\$	45,800	\$	47,539	\$ 93,339
VR52 Wilson Pool	\$	75,251	\$	109,563	\$ 184,814
VR54 Noyes	\$	125,534	\$	103,621	\$ 229,155
VR55 Pulaski	\$	113,993	\$	103,621	\$ 217,613
VR56 Schulz	\$	125,875	\$	363,972	\$ 489,847
VW52 Washington	\$	40,500	\$	57,938	\$ 98,439
Total	\$	964,847	\$	1,997,204	\$ 2,962,051

Although not requested, many times waders and splash pads are included in the discussion of water recreation and the labor expense to open up twelve additional wading pools closed in 2020 is

approximately \$150,000. As noted before, facilities that have been closed for multiple seasons may require additional maintenance and repair prior to their opening.

Date: Monday, October 18, 2021 3:54:43 PM

Sup. Johnson,

Below was an inquiry directed to Parks during the 10/15/21 meeting of the Finance Committee-Budget

Supervisor Johnson, Jr., requested information regarding a cost estimate for lighting at Atkinson Park

Parks has requested assistance from the Department of Administrative Services, Architecture and Engineering Division (DAS A&E) for an estimate on the expense to improve the lighting at Atkinson Park. At this time Parks is working to define a scope and garner a project estimate.

Thank you!

Jeremy Lucas

Director of Administration & Planning

Date: Monday, October 18, 2021 3:50:28 PM

Attachments: 2021 Park Ranger Activity Log (YTD 10.17.21).pdf

Sup. Taylor,

Below were inquiries that occurred during the 10/15/21 meeting of the Finance Committee-Budget

Supervisor Taylor requested information regarding the building leased by the Boys & Girls Club (Mary Ryan Boys & Girls Club at Sherman Park).

Milwaukee County Parks signed a building lease with the Boys and Girls Club of Greater Milwaukee in April of 1990 for an initial term of 20 years with three additional renewals of 10 years each with a maximum term of 50 years. Rent is \$1 annually with Milwaukee County covering utility costs up to \$50,000. Utility costs in excess of \$50,000 are billed back to the Boys & Girls Club as additional rent.

Supervisor Taylor requested data regarding the number of youth hired by DPRC this summer, and if any were kept on for seasonal work with the department.

This data is unavailable at this time. Parks has requested this data and rolling termination dates for seasonal staff are hampering efforts to get accurate information.

Supervisor Taylor requested information regarding the Engagement Office, and how it might be modified or improved to serve as a liaison between the DPRC, friends groups, and the community.

Currently there is only one full-time staff member fully dedicated to engagement. Parks was provided additional seasonal funding for engagement in 2021 and was unable to hire staff due to the departure of the engagement manager and a tight labor market. Milwaukee County Parks believes that the best opportunity for improvement is the addition of full time staff to assist the Engagement Manager with building long-term relationships with friends groups and the community. The addition of three Park Unit Coordinator 1 positions to the engagement office would result in salary and social security expense of \$166,421.

Supervisor Taylor requested data regarding hours logged by Park Rangers at each respective park.

Supervisor Taylor requested that it be sent to all members of the Committee on Finance-Budget.

The attached pdf represents year to date activity by Rangers logged to the nearest quarter hour by location. When amenities are clustered together times may be estimated.

Abbreviations under columns that designate the months are Seas = Seasonal Rangers, LR= Lead Rangers.

Supervisor Taylor requested the list of the 17 picnic areas that will be modified from "advance reservation only" to "first-come, first-served," and their park locations.

Supervisor Taylor requested that it be sent to all members of the Committee on Finance-Budget.

The Overview of the Milwaukee County 2022 Recommended Budget completed by staff in the Office of the Comptroller included the specific locations that would be transitioned from reservable to first-come, first-serve on page 84.

Jeremy Lucas
