

County of Milwaukee
INTEROFFICE MEMO

DATE: September 06, 2017

TO: Theodore Lipscomb, Sr., County Board Chairman
Chris Abele, County Executive

FROM: Scott B. Manske, Comptroller/Capital Improvement Committee Chair

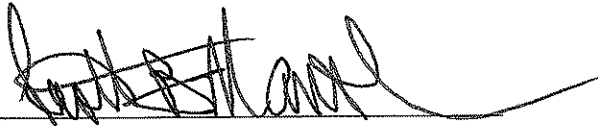

SUBJECT: **2018 – 2022 Capital Improvement Projects (without recommendation)**

Pursuant to Milwaukee County Ordinance, Chapter 36 (MCO 36), the CIC is to develop a countywide Five Year Capital Improvements Plan (5YR CIP) and establish a priority for each project in the 5YR CIP based upon the established criteria for projects submitted by County departments, agencies, and offices and is to include rating, prioritized rankings, and financing.

Historically, in completion of its duty of developing a 5YR CIP, the CIC has recommended a 5YR CIP to the County Executive and County Board. At the August 30, 2017 CIC meeting, the CIC failed to recommend a 5YR CIP.

The CIC voted (5-1; No: Mayo) to place the report prepared by the CIC sub-committee, based on established criteria, on file **without a recommendation** and to have the report sent to the County Executive and County Board Supervisors.

Attached you will find the 2018-2022 CIP packet that was prepared to by the CIC-subcommittee.
