DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.

The Office of Emergency Management (OEM) seeks to create and fill two (2) part-time Emergency Medical Services (EMS) Supervisor positions. These positions will assist in meeting and maintaining the increased operations under the Deer District, LLC, at the Fiserv Forum proven over the past six months of contracted EMS services.

B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. ¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.

There are no additional costs expected from this action, as salaries and all needed supplies for the two (2) part-time EMS Supervisor positions are reimbursed by the contracted venue.

C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.

The creation of the two (2) part-time EMS Supervisor positions does not have any budgetary impact, as the cost of the positions and any necessary supplies are fully reimbursed by the contracted venue. This action as no tax levy impact.

D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

No assumptions have been made. The proposed action has no tax levy impact.

¹ If it is assumed that there is no fiscal impact associated with the requested action, then an explanatory statement that justifies that conclusion shall be provided. If precise impacts cannot be calculated, then an estimate or range should be provided.
