

July 8, 2019

Aaron Hertzberg
Director of Economic Development
Milwaukee County
633 W. Wisconsin Avenue, Suite 903
Milwaukee, WI 53203

Dear Aaron,

As you know, Chapter 42 of the Milwaukee County Ordinances requires “good faith” efforts to achieve participation of certified Target Business Enterprises (TBE) firms. The intention is to afford an equal opportunity for TBEs to receive and participate in the construction of the project. Goals include a minimum of 25% TBE participation for hard construction costs, 17% for professional service costs and a goal of at least 10% of on-site apprentice inclusion.

I want to update you on where we stand on obtaining these goals as a part of our developers’ agreement with Milwaukee County as well as our “good faith” efforts to achieve them. The following documents will give you insight into the methods we used to provide TBEs ample opportunities to bid on the Ballpark Commons Development. You will also be made aware that we applied these standards throughout the entire development even though we are only obligated to on properties I own and develop which reside on land formerly owned by Milwaukee County.

Cross Management Services was hired to assist us with TBE outreach and audit our performances. Marso Construction and Cross Management met with Jim Tarantino and Brian Engle from Milwaukee County prior to bidding on December 13, 2017. At that meeting it was discussed that the developer would probably not meet the TBE goals on master site construction due to the size and specialty type of work being performed. Milwaukee County was fully aware of this in advance.

Due to prior commitments our team was unable to attend the May 13th ECD Meeting. Had we been able to, the Committee would have been told that ROC Ventures utilized a public process to solicit bids, published notice of opportunity to bid in local publications, and dropped off full printed plans at all 5 minority chambers of commerce or contractor associations. Trade specific TBEs were sent and invitation to bid and there was a pre-bid meeting held. All these activities clearly show our “good faith” efforts and intentions and so far to date \$5,249,133 has been awarded to TBE eligible companies. On top of that 10.7% and almost 10,000 apprenticeship/OJT hours have been earned.

ROC Ventures LLC

Headquarters:
7044 S. Ballpark Drive
Franklin WI 53132

www.rocventures.org

Development Agreement

A more than 20 years old methane mitigation system was redesigned and replaced in 2018. Ballpark Commons buildings will have methane mitigation systems to prevent the gas migrating to the buildings, which will also have alarms connected to monitoring systems.

Noise and light requirements that was included in the development agreement to mitigate impacts of the development on neighboring properties. There was a light study performed and in spring of 2018 certain lights were repositioned and 78 new light shields were installed.

Three hard-wired monitors, negotiated as a part of the agreement, were installed in June 2019. They were intended to be installed prior to opening day of Routine Field. Weather delayed construction and as a result pushed back opening day from May 24th to June 24th. However, in the meantime ROC Ventures submitted weekly sound reports to the City of Franklin to demonstrate our compliance. There have been zero violations in 2019.

Contribution and Participation (Trust) Agreement

ROC Ventures established a Landfill Infrastructure Capital Fund (LIC) in June 2019 at Old National Bank. A check from Milwaukee County dated May 10, 2019 in the amount of \$14,928.23 has been deposited. ROC Ventures has deposited their first quarterly payment of \$31,750.

The first meeting on the Landfill Oversight Committee was held on June 12, 2019 which was attended by Comptroller Scott Manske.

We look forward to answering any questions members of the ECD Committee may have on July 15th.

Sincerely,

Michael E. Zimmerman
Owner & CEO

Ballpark Commons

Good Faith Efforts to Meet Inclusion Goal

Ballpark Commons is a multi-phase development project that consist of five phases: Master Site Work, Office Building (C1), Indoor Sports facility, Outdoor Stadium, and Golf Complex. This report includes information on the inclusion achieved for construction, professional services, and apprentice for the Master Site Work and Office Building (C1) projects.

Inclusion Goals

The Ballpark Commons Project is subject to the Community Benefits Compliance Plan with Milwaukee County. This Project must make a good faith effort to meet the following inclusion requirements:

1. 17% Professional Service spending with Targeted Business Enterprises (“TBE”).
2. 25% construction spending with Disadvantaged Business Enterprise (DBE), Small Business Enterprise (SBE), Minority Business Enterprise (MBE) and/or Women Business Enterprise (WBE) herein after referred to as Targeted Business Enterprise (“TBE”).
3. 10% of the on-site construction trade labor hours to be performed by apprentices or members of acceptable job training programs (“OJT”).

Project Address:	7900 Crystal Ridge Road, Franklin, WI, 53132				
Project	Master Site Work	Office Building (C1)	Outdoor Stadium	Support Buildings	Combined Projects
Professional Services Cost Subject to Inclusion:	\$4,567,469	\$6,058,736	\$4,068,082		\$14,694,287
TBE Professional Services Inclusion:	\$2,771,099 or 60.7%	\$62,165 or 1%	\$45,003 or 1.1%		\$2,878,267 or 19.6%
Construction Manager:	Marso Construction	Stevens Construction	Marso Construction	Stevens Construction	
Construction Cost Subject to Inclusion:	\$25,554,603 ¹	\$6,058,736	\$9,004,248 ²	\$5,605,365	\$46,222,952
TBE Construction Inclusion:	\$160,500 or 0.6%	\$1,937,472 or 32.0%	\$24,669 or 0.3%	\$248,225 or 4.4%	\$2,370,866 or 5.1%
Apprentices Inclusion	14% of Total Hours Worked	6% of Total Hours Worked	8% of Total Hours Worked	9% of Total Hours Worked	10.7% of Total Hours Worked

¹ This amount includes Marso Construction's contract amount of \$23,553,750.82 and \$1,987,532 categorized as construction costs handled by Roc Ventures, LLC.

² This amount includes Marso Construction's contract amount of \$8,057,096.06 and \$930,254.00 categorized as construction costs handled by Roc Ventures, LLC.

Professional Services Inclusion:

The combined inclusion achieved on the projects underway is 19.6%, which exceeds the 17% professional services goal, as shown on the table below:

PROJECT	INCLUSION GOAL	INCLUSION	COST SUBJECT TO INCLUSION	%	TBE PAYMENTS THRU 5/31/2019	TOTAL PAYMENTS	%
Master Site Work	17%	\$ 2,771,099	\$ 4,567,469	60.7%	\$ 2,434,297	\$ 2,463,349	98.8%
Office Building (C1)	17%	\$ 62,165	\$ 6,058,736	1.0%	\$ 22,439	\$ 237,998	9.4%
Outdoor Stadium & Support Buildings	17%	\$ 45,003	\$ 4,068,082	1.1%	\$ 20,003	\$ 20,003	100.0%
Total		\$ 2,878,267	\$ 14,694,287	19.6%	\$ 2,476,738	\$ 2,721,350	91.0%

Construction Inclusion:

Even with the extensive outreach activities outlined below and supported with documentation, the combined inclusion on the construction projects have not achieved the TBE goals.

PROJECT	CONSTRUCTION MANAGER	INCLUSION	COST SUBJECT TO INCLUSION	%	TBE PAYMENTS THRU 5/31/2019	TOTAL PAYMENTS	%
Master Site Work	Marso Construction	\$ 160,500	\$ 25,554,603	0.6%	\$ 9,593	\$ 15,360,726	0.1%
Office Building (C1)	Stevens Construction	\$ 1,937,472	\$ 6,058,736	32.0%	\$ 1,402,987	\$ 5,310,312	26.4%
Outdoor Stadium	Marso Construction	\$ 24,669	\$ 9,004,248	0.3%	\$ -	\$ 5,772,909	0.0%
Support Buildings	Stevens Construction	\$ 248,225	\$ 5,605,365	4.4%	\$ 60,800	\$ 3,256,339	1.9%
Total		\$ 2,370,866	\$ 46,222,952	5.1%	\$ 1,473,380	\$ 29,700,287	5.0%

This report summarizes the Good Faith Effort made by the Developer to meet the TBE Inclusion Goals on the Construction of the projects and request consideration of recommendations to increase the combined TBE inclusion.

A. Outreach to Targeted Business Enterprise (“TBE”) Firms

Roc Ventures hired Cross Management Services, Inc. (“CMSI”) to serve as Inclusion Consultant. CMSI assisted the Construction Managers with outreach by providing lists of TBE firms and Ethnic Chambers and organizations. The TBE firms and Ethnic Chambers received the Invitation to Bid notice. Plans and specifications were delivered to the offices of the Ethnic Chambers and Organizations. Appendices I – XV provide copies of information supporting outreach efforts made to achieve bids from TBE firms.

These efforts resulted in the Office Building (C1) exceeding the TBE goals. Unfortunately, the Master Site Work, Stadium and Support Building Projects do not meet the TBE goals.

B. Construction Cost Subject to Inclusion

Several construction trades or material suppliers do not have TBE firms that perform the service or supply the materials. Therefore, TBE inclusion cannot be achieved on those items. Those items include:

- Fees paid for insurance
- Permit fees paid to municipalities
- Materials purchased direct from the Manufacturer
- Construction Manager fee
- General Conditions
- Payments to regulated Utility Companies (We-Energies)
- Methane Gas Remediation
- Construction Costs related to the South Side of Rawson Avenue (This Master Site work does not occur on land purchased from Milwaukee County)

We, respectfully, request that the value of those items is excluded from the Construction Cost Subject to Inclusion. Appendices XVI – XVIII provides a detail list of the items for which exclusion is sought Master Site Work, Office Building (C1), Stadium, and Support Buildings projects.

Project Name	Proposed CCSI	TBE Inclusion	%
Master Site Work	\$ 16,519,931	\$ 160,500	1.0%
Office Building (C1)	\$ 6,058,736	\$ 1,937,472	32.0%
Stadium	\$ 7,335,551	\$ 24,669	0.3%
Support Buildings	\$ 4,519,369	\$ 248,225	5.5%
Total	\$ 34,433,587	\$ 2,370,866	6.9%

C. Exclude Master Site Work

Very few TBE firms expressed an interest bidding the Master Site Work project. Only one TBE firm, Rams Contracting Ltd., attended the pre-bid meeting and chose not to submit a bid. Completely excluding the master site work from TBE inclusion increased the overall project inclusion to 12.3%.

Project Name	Proposed CCSI	TBE Inclusion	%
Office Building (C1)	\$ 6,058,736	\$ 1,937,472	32.0%
Stadium	\$ 7,335,551	\$ 24,669	0.3%
Support Buildings	\$ 4,519,369	\$ 248,225	5.5%
Total	\$ 17,913,656	\$ 2,210,366	12.3%

D. TBE Inclusion on Other Projects

The Developer and Construction Managers have solicited bids and awarded contracts valued at \$892,026 to TBE firms on the New Perspective Project. This project is south of the Ballpark Commons site and not subject to TBE inclusion goals. The solicitation and awarding of contracts to TBE firms supports to Developers and Construction Managers commitment to TBE inclusion and desire to make-up any shortfall of the dollar value of contracts awarded to TBE firms on the Ballpark Commons projects.

Project Name	Proposed CCSI	TBE Inclusion	%
Office Building (C1)	\$ 6,058,736	\$ 1,937,472	32.0%
Stadium	\$ 7,335,551	\$ 24,669	0.3%
Support Buildings	\$ 4,519,369	\$ 248,225	5.5%
Total	\$ 17,913,656	\$ 2,210,366	12.3%
New Perspective		\$ 892,026	
Combined Totals	\$ 17,913,656	\$ 3,102,392	17.3%

E. TBE Spending

With the inclusion of the TBE spend on the New Perspective project, contracts valued at over \$3.1 million have been awarded to TBE firms.

F. Future TBE Project

Two projects, Golf and Indoor Sports Center, with an expected cost of \$60 million will be built to complete the development. The construction components are similar to the Office Building (C1) which exceeded the TBE inclusion goals. A good faith effort with extensive outreach to TBE firms will be undertaken to meet or exceed the 25% TBE goal on those upcoming projects.

Summary

Roc Ventures and its' Construction Managers and Inclusion Consultant has implemented activities to maximize spend with TBE firms. Although these efforts have fallen short of the 25% inclusion goal for construction, Roc Ventures requests consideration of the following and reduction of the combined inclusion goal to 17.3%:

- Extensive Outreach Activities to solicit bids from TBE firms
- Adjustment to the Construction Costs by excluding the costs of trades or materials lacking TBE firms
- Exclude the Master Site Work as a project subject to the Inclusion Goals
- Including dollars spent with TBE firms on project not subject to the Milwaukee County Compliance Plan

BALLPARK COMMONS APPENDICES

A. Outreach

1. Master Site Work
 - a. MSW Appendix I - List of Targeted Business Enterprises (TBE)
 - b. MSW Appendix II – Pre-Bid Announcement and Community Plan Rooms
 - c. MSW Appendix III – Pre-Bid Sign-In Sheets
 - d. MSW Appendix IV – List of Bidders
 - e. MSW Appendix V - Copies of Advertisements
 - f. MSW Appendix VI – Delivery of plans/invites to Chambers
2. Office Buildings (C1)
 - a. Office Buildings Appendix VII – List of TBEs
 - b. Office Buildings Appendix VIII – List of Invited Bidders
 - c. Office Buildings Appendix IX – Copy of Advertisement
 - d. Office Buildings Appendix X – Confirmation of Notification Chambers
3. Stadium
 - a. Stadium Appendix XI - Summary of Events
4. Support Buildings
 - a. Support Buildings Appendix XII – List of TBEs
 - b. Support Buildings Appendix XIII – List of Invited Bidders
 - c. Support Buildings Appendix XIV – Invite Email Notifications to TBE and Subs
 - d. Support Buildings Appendix XV – Timeline

B. Construction Costs Subject to Inclusion

- a. Master Site Work - Appendix XVI
- b. Stadium - Appendix XVII
- c. Support Buildings - Appendix XVIII

C. Exclude Master Site Work Project

D. TBE Inclusion on Other Projects

- a. Appendix XIX – New Perspective Project TBE Calculation
- b. Appendix XX – New Perspective Project TBE Estimate

E. TBE Spending

- a. Appendix XXI – TBE Reports for All Projects

F. Future TBE Inclusion

1. Golf
2. Indoor Stadium

ADVERTISEMENT FOR BIDS

**Ball Park Commons Offsite Improvements
IN THE CITY OF FRANKLIN**

NOTICE IS HEREBY GIVEN that sealed bids for the construction of a Public Infrastructure in the City of Franklin will be received at the Office of the Marso Companies, LLC, 9120 West Loomis Road #400, Franklin, Wisconsin 53132 until 11:00 a.m. on, Wednesday August 29, 2018 at which time all total base bids will be publicly opened and read aloud.

The Marso Companies are accepting bids to modify offsite improvements associated with Ballpark Commons at Rawson Ave. and 76th street. Contract documents including plans and specification supplements are on file and available for inspection at the Office of the City Clerk of the City of Franklin. **General specifications for this project include the "State of Wisconsin Standard Specifications for Highway and Structure Construction, Current Addition" with all subsequent additions or revisions.**

A certified check or bid bond, payable without condition to the Marso Company in an amount not less than five percent (5%) of the bid, shall be submitted with each bid as a guarantee that if the bid is accepted, a proper contract and bond will be executed and filed within ten (10) days after the acceptance of the bid. If such bidder fails to execute and file such contract and bond, the amount of the check or bid bond shall be forfeited as liquidated damages.

No bid shall be withdrawn after the opening of bids without the consent of the Marso Company for a period of ninety (90) days after the time of opening of bids. Each bidder agrees upon submission of bid that if the same be accepted within said time period, he shall be bound by the terms of acceptance hereinafter contained.

Bids shall include the furnishing and installation of all labor, materials, sales tax, permits, equipment, tools, supplies, etc., for complete performance of the work as described. The bidder is cautioned that work will require coordinated traffic control.

The work associated with this project will include erosion control, clearing and grubbing, earthwork, storm sewer, base course, rigid paving, flexible paving, pavement marking, signage, street lighting, landscaping, restoration and new traffic signals.

All bids must be prepared as described in instructions to bidders and must be sealed and addressed to the Marso Companies LLC. There shall appear on the envelope of each bid, the name and address of the bidder and the purpose for which the bid is intended.

Plans and specifications for this project were prepared by JSD Professional Services, Inc., N22 W22931 Nancys Court, Suite 3, Waukesha, Wisconsin. Published by authority of the Common Council of the City of Franklin, Wisconsin. Included are the traffic signal plans prepared by Tandis with traffic signal SDD's by WI DOT including traffic signal specifications.

The Marso Companies are accepting bids to modify offsite improvements associated with Ballpark Commons at Rawson Ave. and 76th street. Contract documents including plans and specification supplements are on file and available for inspection at the Office of the City Clerk of the City of Franklin. **General specifications for this project include the "State of Wisconsin Standard Specifications for Highway and Structure Construction, Current Addition" with all subsequent additions or revisions.**

A certified check or bid bond, payable without condition to the Marso Company in an amount not less than five percent (5%) of the bid, shall be submitted with each bid as a guarantee that if the bid is accepted, a proper contract and bond will be executed and filed within ten (10) days after the acceptance of the bid. If

such bidder fails to execute and file such contract and bond, the amount of the check or bid bond shall be forfeited as liquidated damages.

No bid shall be withdrawn after the opening of bids without the consent of the Marso Company for a period of ninety (90) days after the time of opening of bids. Each bidder agrees upon submission of bid that if the same be accepted within said time period, he shall be bound by the terms of acceptance hereinafter contained.

Bids shall include the furnishing and installation of all labor, materials, sales tax, permits, equipment, tools, supplies, etc., for complete performance of the work as described. The bidder is cautioned that work will require coordinated traffic control.

The work associated with this project will include erosion control, clearing and grubbing, earthwork, storm sewer, base course, rigid paving, flexible paving, pavement marking, signage, street lighting, landscaping, restoration and new traffic signals.

All bids must be prepared as described in instructions to bidders and must be sealed and addressed to the Marso Companies LLC. There shall appear on the envelope of each bid the name and address of the bidder and the purpose for which the bid is intended.

Plans and specifications for this project were prepared by

JSD Professional Services,
Inc., N22 W22931 Nancy's
Court, Suite 3, Waukesha,
Wisconsin. Published by authority of the Common Council of the City of Franklin, Wisconsin. Included are the traffic signal plans prepared by Tandi with traffic signal SDD's by WI DOT including traffic signal specifications.

Allison

I apologize I did not realize that the 2 extra pages were attached to the copy I sent you. Here is the revised ad that needs to run. In February when we ran a similar ad it was just a couple columns and was \$116 for the 2 times it ran

Thanks

Subject: FW: Ballpark Commons Office Building (C-1) Bidding
Attachments: Asphalt.xlsx; Concrete.xlsx; Curb.xlsx; Drywall.xlsx; Flooring.xlsx; Gutter.xlsx; Janitorial - Toilet Accessories.xlsx; Masonry.xlsx; Reinforcing.xlsx; Utility.xlsx; Waterproofing.xlsx; Landscaping.xlsx; BPC Office Bidders List - Final.pdf

All – In addition to the other bid solicitation measures discussed today at the meeting, attached is our ISQFT bid list for the office and stadium outbuildings as requested. There were roughly 600 bid invitations that were sent for the project. The list of TBE bidders contacted was roughly 400. We identified 52 TBE bidders that were not on our original bid lists as source of potential participation to meet the goal.

Thanks.

Matt Goebel

Subject: FW: Ballpark Commons Office Building (C-1) Bidding

Matt,

After calling everyone on the TBE lists we received, we specifically targeted an additional 52 TBE bidders that were not on our original bid list.

1. Waterproofing: 8
2. Concrete: 11
3. Masonry: 9
4. Drywall: 11
5. Flooring & Painting: 13

Total: 52-Contractors

Subject: RE: Ballpark Commons Office Building (C-1) Bidding

Hi Josh,

Sorry for the delay.

I've been able to gather a list of contractors for the following trades. See the info below:

Asphalt
Concrete
Curb
Drywall
Flooring
Gutter
Janitorial-toilet Accessories
Masonry
Reinforcing
Utility
Waterproofing

Let me know if you need any additional information.

Thanks,

Please note our new address:

Subject: Ballpark Commons Office Building (C-1) Bidding

Carla/Kamilah,

We just received the Permit Drawings for the Ballpark Commons Office building yesterday and we are in the process of bidding out the remainder of trades. We have already bid out the Structural Steel, Fire Protection, Plumbing, HVAC & Electrical. Could you send me a list of contractors for the following scopes of work?

1. Reinforcing Supplier
2. Concrete Supplier
3. Masonry Contractors
4. Metal Stud & Drywall Contractors
5. Metal Stud & Drywall Suppliers
6. Dampproofing & Waterproofing Contractors
7. Metal Wall Panel Contractors
8. Roofing Contractors.
9. Doors, Frames & Hardware Suppliers
10. Storefront Contractors
11. Acoustical Ceiling Contractors
12. Flooring Contractors
13. Toilet Accessories Contractors
14. Earthwork Contractors
15. Utility Contractors
16. Curb & Gutter Contractors
17. Asphalt Paving Contractors
18. Landscaping Contractors

Thanks,

Josh Johnson

Marso Construction – Stadium Phase of Ballpark Commons Mixed Use Development

Marso Companies, LLC, dba Marso Construction was contracted to perform work on the Ballpark Commons Mixed Use Development. The work was divided into two contracts.

The initial contract dated March 12, 2018 was between BPC Master Developer, LLC and Marso Companies, LLC, dba Marso Construction. The work included in this contract was for the general site preparation including the removal of existing improvements, relocation and upgrade of utilities and roadwork.

The work under this contract was publicly bid and contracts were issued per the documentation provided earlier by Greg Marso.

Subsequently, a second contract was written on June 22, 2018 between BPC Pro Baseball Stadium, LLC and Marso Companies, LLC, dba Marso Construction. The work included in this contract was for the baseball stadium and support buildings related to the stadium. The support buildings, field turf and netting were later removed from the Marso contract through a deductive change order.

Much of the work performed on both projects was for the infrastructure of the site including earthwork, sewer, water and electrical utilities. Therefore, while the two jobs were tracked and billed separately, it was necessary to manage the construction together as one larger project. As a result, many of the same subcontractors used for the sitework were also used for the stadium phase of the project. Each of these subcontractors were the lowest qualified bidder from the public bid. These include:

- DF Tomasini
- CW Purpero (Includes Franklin Aggregates)
- Payne & Dolan (Includes Franklin Aggregates)
- KW Electric
- Durham Hill (Includes Rochester and DJ Lawn Sprinklers)

Further, the invitation to bid the stadium support buildings was sent by both Marso Construction and Cross Management. Marso sent the invitation to approximately 170 subcontractors/suppliers and Cross Management to over 350 targeted businesses in order to encourage targeted businesses to participate. It was later determined that Marso Construction would not construct the support buildings. However, Marso was able to use a few of the subcontractors/suppliers that responded to the invitation to complete the scope of work for other areas of the stadium. Efforts were made to utilize targeted businesses when possible. For example, Martinez Cleaning was used to do the final construction cleaning of the seating area.

The remainder of the work was completed using best practices of constructing a stadium under the building codes and within the timelines we had to meet - - keeping in mind the project was being constructed on a landfill. This in itself created a challenging building site.

There are few subcontractors that are qualified to do the size, scale and scope of work required for this type of project; such as Findorff who did the concrete work on the stadium bowl.

There were also specific requirements and specialty categories related to a stadium that had to be considered. For example, the stadium seat layout on the architectural plan was designed using an Irwin

Seat specification. Irwin Seating was used on this project and is same supplier of the chairs used in Miller Park Stadium and Wrigley Field, as well as many other minor and major league fields.

The complexity of the project on a landfill, the limited timeframe for completion, and the changes made through construction bulletins due to the site conditions were also factors that were considered in selecting qualified subcontractors.

We made every attempt to utilize subcontractors currently doing work on the mixed-use development; some of which were included in the original public bids. We also attempted to utilize minority subcontractors and encouraged all subcontractors to use Disadvantage Business Enterprises where possible.

Attachments: Asphalt.xlsx; Concrete.xlsx; Curb.xlsx; Drywall.xlsx; Flooring.xlsx; Gutter.xlsx; Janitorial - Toilet Accessories.xlsx; Masonry.xlsx; Reinforcing.xlsx; Utility.xlsx; Waterproofing.xlsx; Landscaping.xlsx; BPC Office Bidders List - Final.pdf

All – In addition to the other bid solicitation measures discussed today at the meeting, attached is our ISQFT bid list for the office and stadium outbuildings as requested. There were roughly 600 bid invitations that were sent for the project. The list of TBE bidders contacted was roughly 400. We identified 52 TBE bidders that were not on our original bid lists as source of potential participation to meet the goal.

Thanks.

Matt Goebel

Matt,

After calling everyone on the TBE lists we received, we specifically targeted an additional 52 TBE bidders that were not on our original bid list.

1. Waterproofing: 8
2. Concrete: 11
3. Masonry: 9
4. Drywall: 11
5. Flooring & Painting: 13

Total: 52-Contractors

Subject: RE: Ballpark Commons Office Building (C-1) Bidding

Hi Josh,

Sorry for the delay.

I've been able to gather a list of contractors for the following trades. See the info below:

Asphalt
Concrete
Curb
Drywall
Flooring
Gutter
Janitorial-toilet Accessories
Masonry
Reinforcing
Utility
Waterproofing

Let me know if you need any additional information.

Thanks,

Please note our new address:

Subject: Ballpark Commons Office Building (C-1) Bidding

Carla/Kamilah,

We just received the Permit Drawings for the Ballpark Commons Office building yesterday and we are in the process of bidding out the remainder of trades. We have already bid out the Structural Steel, Fire Protection, Plumbing, HVAC & Electrical. Could you send me a list of contractors for the following scopes of work?

1. Reinforcing Supplier
2. Concrete Supplier
3. Masonry Contractors
4. Metal Stud & Drywall Contractors
5. Metal Stud & Drywall Suppliers
6. Damproofing & Waterproofing Contractors
7. Metal Wall Panel Contractors
8. Roofing Contractors.
9. Doors, Frames & Hardware Suppliers
10. Storefront Contractors
11. Acoustical Ceiling Contractors
12. Flooring Contractors
13. Toilet Accessories Contractors
14. Earthwork Contractors
15. Utility Contractors
16. Curb & Gutter Contractors
17. Asphalt Paving Contractors
18. Landscaping Contractors

Thanks,

Josh Johnson

Hi All

We are excited to be sending out the bid invite for the Ballpark Commons Stadium support buildings. The stadium project has been underway since earlier in the year with the stadium foundation excavation work in process. The next phase of the project being bid now are the support buildings Press Box/Concessions kitchen, stadium bathroom buildings, team locker rooms and front entry canopy.

The plans for bidding the project are set up thru the AE Graphics plan room. Below is the link for you to access the plans and the job key is **marsobc**. When you go to the plan room you will need to enter the job key to access the plan and documents in the file.

<https://planroom.aegraphics.com/jobs/1332/details/ballpark-commons-stadium-support-buildings>

Please read thru the attached bid invite for the job information, bid due dates and where to send bids

Any question let us know at the following email address: estimating@marsoco.com

For those of you that may not have heard about the Ballpark Commons Stadium project here is a few links to see all about it.

All of the bidders on the TBE list were called. The bid invites went out in ISQFT sent to you.

The Office Building add ran on 6-13-18, I don't have the date for the outbuilding. I can send an email for Jenny Byington to see if she can pull up the adds for both projects.

Hello Matt,

Thanks for the timeline.

Was the solicitation for the two all verbal or by email? If by email, please send copy that was sent to the contractors. Also, send copy of Daily Reporter Advertising. It can be the receipt.

Thanks,

Steve,

I won't have this pulled together today. I'm down at the stadium and need to spend some time digging thru the files to get dates of deliverables. I'll jump on this in the morning when I am in the office.

Matt and Matt,

Please provide the requested information by end of day if at all possible. As I have stated previously we are on a very tight timeline and I have been asked by MZ to make sure we get something to the County Monday morning. Thank you in advance for you cooperation!!

Hello,

Matt Cool you mentioned in the meeting Stevens Construction did not have the opportunity to do the pre-bid announcement and meeting for the Support Buildings due to timing. Can they provide dates and timing of when you met with RocVentures and/or Marso Companies on acquiring the Support Building project to the start of project? I'm thinking some type of break down will be beneficially to present. Any information would be helpful.

In addition, even though the Office Building project has met/exceeded the goals. Please provide the list of items on the excel spreadsheet.

If you have any questions, feel free to contact me.

Thanks in advance,

Kamilah Bent, Project Manager

Matt –

For Consolidated Doors, is there a breakdown or itemization of the invoice showing the manufacturing of the doors and the install of the doors?

Thanks,

Matt,

Please resend without Aerotek Inc and Consolidated Doors.

I am waiting on a call with Ryan at Aerotek to discuss the connection with the his Madison location to the document which has a Boulder, CO address.

Also, since Consolidated Doors installed doors they are NOT certified as small business enterprise with SAM.gov. Their certification is for manufacturing only. Note: if you can specify the detail contract and there is a separate amount for the manufacturing verse labor we can look to separate and allow the manufacture amount.

Thanks in advance for sending the update,
Kamilah Bent, Project Manager

Subject: RE: ****ACTION REQUIRED**** New Perspective Supplier Contract Dollars

The \$ value of work with the subcontractors/suppliers below is \$853,334.47. The Aerotek value is the to date cost. It could be another \$40K yet. The JSD cost is only the surveying work we hire them for. It does not include the design that is hired owner direct. The other sub/suppliers might have change orders, especially Heitman on earthwork. **A reasonable estimation would be \$950,000.**

Kamilah – We could also look at Aerotek on the office. Spent \$22K with them thru our self performed concrete.

Hello Matt,

Per the attachment the following contractors are certified TBE. Please send the contract values on:

Aerotek, Inc.
Consolidated Doors, Inc.
Griffith Lumber Company
Gypsum Floors, Inc.
Heitman, Inc.

JSD Professional Services, Inc.
JWC Building Specialties, Inc.
Schindler Elevator Corp

If you have any questions, feel free to contact me.
